

WELCOME

to the Landhotel Rügheim in the beautiful area Franconia.

We trust that you and your dog had a pleasant journey and that you found everything to your liking in the room.

Because not everyone shares your love for dogs, we would like to ask you to respect the following rules while your stay in our hotel to ensure a wonderful stay for everyone.

If you are leaving the room and your pet is still in there, please put your "Do not disturb" sign in front of the door, so our housekeeping team is aware of your dog. To ensure the daily cleaning of your room, just let us know when you are taking a walk with your dog and we will use the time to refresh your room. Furthermore pets are not allowed in beds or on any furniture. Please be aware of an extra cleaning charge in case of noncompliance.

Also we kindly ask for your understanding that pets are not allowed in our restaurant, breakfast area, Lounge and clubroom due to hygienic reasons. If you don't want to leave your good friend alone while a meal, you can always take advantage of our terrace or our cosy Weinstube.

While walking around in the hotel, please make sure your dog is on the leash and not roaming freely around. For the daily walks you can use the extensive open countryside nearby the hotel. Our Front Office team is happy to guide you the way and assist you with a map of the area.

The entire team of the Landhotel Rügheim is pleased about your visit and wishes you a wonderful stay.

In case of any other questions or requests, please do not hesitate to contact us.

With kind regards,

Team Landhotel Rügheim
